TRANSFER

WEFE4MED

Water-Energy-Food-Ecosystems Nexus
in the Mediterranean

Integrating the WEFE Nexus into T-MED

From clean-energy investment to integrated Mediterranean resilience.

**WEFE-integrated
project design**

1

ASSESS

Water, food & ecosystem
impacts

2

DEMONSTRATE

Integrated pilots with
research & SMEs

3

INVEST & SCALE

Bankable cross-sector
solutions

Renewable energy + resource security + sustainable growth

Decorative wavy lines in shades of blue and green at the bottom of the page, with a small green plant icon on the right.
